## Pro-level print products for a standout side gig.

### Banners

Be ready for the big arts and crafts show with a banner that breaks the mold.

### Brochures

Hand event-goers a list of your products and services—or stick them in orders to promote repeat purchases.

### Shipping Services

Seamlessly pack and ship customer orders with UPS® shipping services. Visit a Staples store to get started.

### Wall Decals

Brand the background of your social posts and videos with your logo, contact info and taglines.

### Notecards

Tuck custom thank you cards in customer orders for a personal touch.

### Custom Stamps

Place your logo on envelopes, gift boxes and shopping bags in a pinch.
